Potential Clients & Webinar Information:

We have public resources for our potential clients and webinar attendees. To access our public file resources as a guest, please go to "download file" link on the left hand corner up top. You should be able to access our free public resources. To view our past recorded webinars, please click on the webinar folder under "download file."

Existing Clients:

Once logged in, go to *"download files"* link on the left hand corner up top. You should see a folder named Dealer Folders.
Click on that and select your company's folder.
All your software and updates should be in your folder.
The Vizualizer Software is labeled "
Vizualizer Software
."
Click on the link.
On top there should be a link labeled "
Download
."
Please click on it.
This should lead you to the user agreement to license download page.
Please read over the agreements and scroll down to the bottom of the page, and at the bottom there should be a check box name "I agree to the above terms."
It is mandatory for you to agree to our terms before download.
Once the box is checked, click on the download button and proceed with download.
